Programme Summary

Sunday, July 11th, 2010

16:00 – 18:00 Opening Plenary Session

Inspiring insights into health and sustainable development [ENG, FRA, ESP]

Pascal Strupler: MoH, Switzerland

Dr. David McQueen: President IUHPE

Dr. Zsuzsanna Jakab: WHO-Euro

Michael Hübel: European Commission

Dr. Sarah Cook: UN Research Institute for Social Development

Prof. Paul Hunt: University of Essex, New Zealand

Plenary Room

Monday, July 12th, 2010

09:30 – 11:00 Plenary session

Territorial change and urbanization [ENG, FRA, ESP]

Dr. Enric Llorca Ibáñez: Red Española de Ciudades Saludables

Maria Lourdes C. Fernando: Marikina City, Philippines

Prof. David Satterthwaite: International Institute for Environment and Development, UK

Plenary Room

10:00 – 18:00 Traditional Posters

- Cancer
- Children with Special Needs and Difficulties
- Community-based Health Promotion: Interventions
- Family and New-born Care
- Health Literacy and Education
- Health Promoting Schools [School-based Interventions]
- Health Promotion Theory
- Healthy Cities and Urbanisation
- Infectious Disease [Malaria and Various]
- Mental Health Promotion: Interventions
- Oral Health
- Physical Activity in Action
- Policy
- Public Health & Primary Healthcare I
- Tobacco [Case Studies]
- Youth / Adolescent Health [General]

Poster Area, Level -1

11:00 – 11:30

Discussions with presenters of traditional posters

Poster Area, Level -1

11:30 – 13:00 Symposia

The Value of the arts, theatre and music in promoting health and tackling health inequalities

Room 2

Health for all people: Joining forces for equity in Switzerland

Room 3

Health Policy and Research in Europe in the light of the future EU2020 strategy

Room 4

Healthy Communities in the Cross-strait Four Region [Chinese-speaking Community]

Room 5

Cadre de réflexion et d'action pour les interventions visant à réduire les inégalités de santé : Une contribution de pays de langue française

Room 7

Building collaborative research infrastructures for population health research: Lessons learned from Canada and the Netherlands

Room 8

The 'Qaderoon' [We are capable] intervention: Implications and challenges from a community based participatory research intervention to promote mental well-being among refugee youth

Room 20

11:30 – 13:00 Oral Presentation Sessions

Tobacco Issues in Developing Countries: Beyond the smoke screen

Room 6

Health Promoting Theory: Missing elements and new approaches

Room 11

Migrant Health

Room 14

Nutrition and Healthy Eating

Room 15

Healthy Aging

Room 16

Indigenous Session I

Room 17

Linking Health Promotion and Sustainable Development

Room 18

Child Health: Challenges and opportunities

Room 19

11:30 – 13:00 Workshops

Des quartiers durables pour promouvoir la santé

Room 12

Building an international collaboration on participatory health research

Room 13

Wie können wir die IUHPE zu einer wirkungsvollen professionellen Fachorganisation für öffentliche Gesundheitsförderung im Deutschsprachigen Raum Europas entwickeln?

WS A2

La gratuité des soins en Afrique de l'Ouest : Améliorer l'équité d'accès aux soins

WS E1

Linking administrative levels in the implementation and institutionalization of HIA: A comparative analysis of federal countries

WS E2

Traditional-mindful health-related ideas of Asia into mainstream of Health Promotion and Education

WS E3

Developing equity oriented HIA: From risk factors to root causes

Wild Side, Room A

Case studies in global school Health Promotion: Experiences from various countries

Wild Side, Room B

DETERMINE – practical measures to take forward the WHO CSDH recommendations in the EU

Wild Side, Room C

Enjeux et complexité de passer d'une vision clinique à une perspective de développement communautaire local: Les exemples du Bénin, du Brésil, du Québec et du Mali

Wild Side, Room D

Applying age-friendly principles to achieve supportive environments for health

Wild Side, Room E

11:30 – 13:00 Electronic Poster Sessions

E-Literacy

Wild Side, EPC 1

Health Promotion: African region

Wild Side, EPC 2

13:00 – 14:30

Discussions with presenters of traditional posters

Poster Area, Level -1

13:10 – 14:00 Guided Poster Tours

Health in All Policies/Health Promotion Specific Policy

Health Promoting Hospitals

Physical Activity

Yogo

Poster Area, Level -1

14.30 – 16:00 Symposia

Cost Benefit Analysis of Prevention Measures: The Results of Three Swiss Case Studies in the Areas of Smoking, Alcohol and Traffic Accidents

Room 1

Health Literacy: An evolving concept, a social determinant and a player in Health Policy

Room 2

Enhancing the science base of implementation in Health Promotion as an action strategy for Sustainable Development

Room 4

What is Health Promotion research? Examples from the field

Room 6

Underlying values and principles of Health Promotion at the end of life

Room 7

Health in all policies: Moving to the How

Room 13

Promotion de la santé : quelles approches pour un développement durable en Afrique Subsaharienne

Room 15

Developing a sustainable system of quality assurance for professional preparation and practice of health education specialists in the US

Room 16

Does nutrition labelling promote healthy eating? Effectiveness on consumer behaviour and potential health benefits

Room 18

14:30 – 16:00 Oral Presentation Sessions

Developing Health Promoting Schools

Room 3

Health Challenges of Marginalised Women: Health Promotion implications

Room 5

Primary Health Care and Health Promotion

Room 8

14:30 – 16:00 Oral Presentation Sessions [cont.]

Alcohol and Drugs: From labelling to hope

Room 14

Municipal Governance for Health Promoting Cities

Room 17

14:30 – 16:00 Workshops

The case of the smoke free campus

Room 11

Success stories in Indigenous Health Promotion

Room 12

Formation en promotion de la santé en Afrique francophone sub-saharienne : efforts d'aujourd'hui, défis de demain

Room 19

Sustainable Development: Rethinking capacity building for Health Promotion and health

Room 20

Environmental E-Health – how will it impact you?

WS A1

Is a school-based cooking garden worthwhile for the stakeholders?

WS A2

The ASCD healthy school communities pilot project: Perspectives and future directions

WS A3

Good practice in Health Promotion

WS E1

Health Education and Health Promotion in teacher education: State of the art and perspectives

WS E2

Health Promotion documentation based on PROLEAD outcome [tbc]

WS E3

Realizing the Millennium Declaration: Revised thinking to address harmful traditional practices

WS A4

Societal learning: From suffering to societal change, or from the world's first fixer room in Berne to Switzerland's 'four-pillar policy' on drugs

Wild Side, Room A

Health Promotion, Equity and Sustainable Development: Using potentials and building cross-sectoral networks among key players. A Swiss case

Wild Side, Room B

Writing for publication in the international peer review literature: Nine steps to success

Wild Side, Room C

Decreasing barriers and increasing wellness: Working with HIV+ and Hepatitis C+ young women

Wild Side, Room D

Outil pédagogique sur les inégalités sociales de santé: Cheminer ensemble vers la 2^e génération

Wild Side, Room E

14:30 – 16:00 Electronic Poster Sessions

Health Promotion: Asian region

Wild Side, EPC 1

Health Promotion and Sustainable Development

Wild Side, EPC 2

16:00 – 16:30

Discussions with presenters of traditional Posters

Poster Area, Level -1

16:30 – 18:00 Sub-plenary Sessions

Change – Yes we can! Evidence on Salutogenic Pathways to Health Promotion [ENG, FRA]

Room 5+6

Striving for best practice – Are current frameworks from Europe and Canada ethically and contextually 'fit' for global practice? [ENG, FRA, ESP]

Room 3+4

Surveillance: Making Health Promotion Accountable [ENG]

Wild Side, Room A

Urbanisation and Health: From Research to Action [ENG, FRA]

Room 1

Action on the Social Determinants of Health and the Renewal of Primary Health Care: New Opportunities for Health Promotion [ENG, FRA]

Room 2

18:15 – 19:30 Workshops

National health literacy surveys: From measurement to policy for equity in health

Room 2

The benefits and risks of Public Private Partnerships [PPP] in public health

Room 5+6

Workshop in using PAHO's guidelines and guide for documenting Health Promotion initiatives

Room 7

Exploring the need for an international code of ethics for Health Promotion

Room 11

The dynamic nature of Health Promotion programs: An evaluation tool for conceptualizing and optimizing the interactivity between people and things

Room 12

Analysing data on women's health with a gender lens

Room 13

Building models for salutogenesis

Room 14

Leaving coal in the ground: ending a global public health crisis by 2030

Room 15

Nairobi Call to Action 2009: so what now?

Room 16

Non-Communicable Diseases in Africa and other developing countries: Integrating a Health Promotion approach to NCD prevention and control

Room 17

Cyber Centre for Community Immunology – CCCI

Room 18

To plan and to run an international Health Promotion course

Room 19

Media advocacy as a strategy for reducing health inequities

Room 20

Reflection on the conference

Wild Side, Room A

Assessing the health literacy environment of hospitals

Wild Side, Room C

The feasibility of a European doctorate programme in Health Promotion

Wild Side, Room D

Acting at the research-policy-practice nexus: What role does the Health Promotion workforce play?

Wild Side, Room E

18:15 – 19:30 Electronic Poster Sessions

Mental Health

Wild Side, EPC 1

Schools

Wild Side, EPC 2

Tuesday, July 13th, 2010

07:30 – 08:30 Meet the Authors Sessions

Health issues in the black community [3rd ed.]

Room 7

Toward the Healthy City

Room 8

Efectividad en promoción de la salud

Room 11

The Health Practitioner's Guide to Climate Change

Room 12

Workplace Health Promotion

Room 16

Health Promotion and Quality of Life in Canada

Room 17

La santé mondiale

Room 19

Community Health Nursing [2nd ed.]

Room 20

09:00 – 10:30 Plenary Session

Social and cultural change [ENG, FRA, ESP]

Dr. Mirai Chatterjee: SEWA, India

Prof. Maria De Koninck: Université de Laval, Canada

Molly Melching: Tostan, Senegal

Plenary Room

10:00 – 18:00 **Traditional Posters**

- **Community-based Health Promotion: Research, Strategies and Participation**
- **Competencies**
- **Gender**
- **Health Promoting Schools: General**
- **Homelessness and Poverty**
- **Infectious Disease [Tuberculosis and Influenza]**
- **Intersectoral collaboration/Partnerships/Structures for Health Promotion/Sustainable Development**
- **Mental Health Across the Life Cycle**
- **Nutrition Interventions**
- **Sexual Health**
- **Social Capital**
- **Social Marketing/Mass Media**
- **Tobacco [Legislations and Policies]**
- **Vaccine**
- **Youth/Adolescent Health [Targeted interventions]**
- **Research in Health Promotion**

Poster Area, Level -1

10:30 – 11:00

Discussions with presenters of traditional posters

Poster Area, Level -1

11:00 – 12:30 **Symposia**

Climate Change and Health Equity: Coordinating action and managing tensions

Room 2

The CompHP project: Developing consensus on competencies and professional standards for Health Promotion capacity building in Europe

Room 4

School and adolescent health in the Cross-Strait Four Regions [Chinese-speaking Community]

Room 6

Health Communication—Essential tool for Health Promotion

Room 7

Dos perspectivas de aproximación a la salud de la comunidad en el contexto de entornos urbanos saludables y grupos de población

Room 8

Challenges in Health Promotion research applying theories on the policy process

Room 16

Salutogenic Approaches to workplace health – structure and function – a European perspective in a global world

Room 18

What is the effectiveness of using evidence in Health Promotion practice?

Room 19

11:00 – 12:30 **Oral Presentation Sessions**

Understanding Women’s Health & Violence

Room 3

Innovative Interventions for Behavioural Risk Factors

Room 5

Health Promotion Policy Development

Room 11

Policy and Urban Planning for Health and Sustainable Development

Room 14

Adolescent and Youth Health

Room 15

Indigenous Session II

Room 17

Alternative Frames and Models for Health Promotion

Room 20

11:00 – 12:30 **Workshops**

Systematic reviews of Health Promotion and Public Health interventions

Room 12

Towards HPR 2.0 – An introduction to social media for Health Promotion

Room 13

Assessing Health Promotion orientation of training programs

WS A1

Successful implementation strategies of innovative school-based Health Promotion interventions

WS A2

Healthy Kids, Healthy Future: Promoting healthy diet and physical activity

WS A3

Radiodramas para promover la salud

WS E1

Change tool: assessing local level policy and environmental change strategies to create healthy communities

WS E2

Applying the circle of health – reflecting on stories from Brazil, Canada, Serbia

WS E3

Health inequalities in the UK – getting business involved

Wild Side, Room B

Qualitative evaluation for Health Promotion interventions

Wild Side, Room C

Quelle promotion de la santé avec les migrants en situation de vulnérabilité?

Wild Side, Room E

11:00 – 12:30 Electronic Poster Sessions

Culture and Ethnic Traditions

Wild Side, EPC 1

Teaching and Learning

Wild Side, EPC 2

12:30 – 14:00

Discussions with presenters of traditional posters

Poster Area, Level –1

12:40 – 13:30 Guided Poster Tours

- Ethics
- Indigenous Health
- Intersectoral collaboration/Partnerships/Structures for Health Promotion/Sustainable Development
- Sustainable Development [Local and community development, healthy settings and biocapital]

Poster Area, Level –1

14:00 – 15:30 Symposia

Settings research in low resource environments: Innovations in knowledge development and its use

Room 6

Governance and financing for Health Promotion: Innovations in the Asia-Pacific region

Room 7

Risk factor surveillance in practice

Room 16

14:00 – 15:30 Oral Presentation Sessions

Sustainable Settings: Linking Health Promoting Settings with Sustainable Development

Room 3

Social Capital and Social Inclusion

Room 4

Health Services and Equity

Room 5

Community Health Promotion – Innovations

Room 8

New Approaches in Health Promoting Cities

Room 11

Collaboration and Participation for School Health Promotion

Room 14

Health Promotion Workforce Development – Competencies and Strategies

Room 15

Reproductive and Maternal Health – Challenges and Opportunities

Room 17

Food Security: From policy to supermarket shelves

Room 18

Critical Issues in Tobacco Intervention

Room 19

Climate Change and Pollution

Room 20

14:00 – 15:30 Workshops

Success stories in Indigenous Health Promotion

Room 12

Neglected Tropical Diseases [NTDS]: current and future role of Health Promotion

WS A1

Tapping into information & communication technologies for promoting and advocating primary health care

WS A2

Urbanization, health and labour

WS A3

Promoting health and preventing non-communicable disease in urban settings in developing countries: From evidence to policy

WS E1

Civil society organizations advancing health equity: evidence to action

WS E2

Reflection on the conference

Wild Side, Room A

The introduction of the Healthy Handprint

Wild Side, Room B

Addressing poverty, housing, and displacement in a developed nation: global implications

Wild Side, Room D

Building global capacity for health in all policies and inter-sectoral action

Wild Side, Room E

14:00 – 15:30 Electronic Posters Sessions

Children and Adolescents

WS E3

Health Promotion: Spanish Language

Wild Side, EPC 1

Gender and Inequality

Wild Side, EPC 2

15:30 – 16:00

Discussions with presenters of traditional posters

Poster Area, Level -1

16:00 – 17:30 Sub-plenary Sessions

Healthy and Sustainable Settings: Reflections and Future Directions [ENG, FRA]

Room 1

Health Promoting Architecture: Towards health promoting and sustainable residencies for all [ENG, FRA]

Room 2

Vision and action for health promotion in Latin American countries [ENG, FRA, ESP]

Room 5+6

Building high impact partnerships for health, equity and sustainable development [ENG, FRA]

Room 3+4

What can health promotion learn from other social movements? [ENG]

Wild Side, Room A

Wednesday, July 14th, 2010

07:30 – 08:30 Meet the Authors Sessions

Evidence of Health Promotion Effectiveness in Africa

Room 7

Better School Through Health

Room 8

Les inégalités sociales de santé au Québec

Room 12

Promoting Health for Working Women

Room 16

Diabetes and health disparities

Room 17

Foundations for Health Promotion [3rd ed.]

Room 19

Promoting mental health in scarce resource contexts

Room 20

09:00 – 10:30 Plenary Session

Environmental change healthy³ panel [ENG, FRA, ESP]

Prof. Rajendra Pachauri: IPCC, India

Prof. Ilona Kickbusch: Kickbusch Health Consulting, Switzerland

Dr. Mary Amuyunzu-Nyamongo: African Institute for Health and Development, Kenya

Dr. Hans Rudolf Herren: Biovision, Switzerland

Dr. Mihaly Kökeny: Former Minister of Health, Hungary

Plenary Room

10:00 – 18:00 Traditional Posters

– Cardiovascular Health

– Child Health

– Elderly [Specific Conditions]

– Environmental Issues

– Equity

– Health Promoting Hospitals

– Health Promoting Schools [School Nutrition]

– Health Promotion and Disaster Management

– Healthy Eating and Eating Behavior

– HIV and AIDS

– Mental Health [Settings]

– Physical Activity and Evidence-base

– Research in Health [General]

– Training [Theory]

– Workplace Health Promotion Targeted Interventions

Poster Area, Level -1

10:30 – 11:00

Discussion with presenters of traditional posters

Poster Area, Level -1

11:00 – 12:30 Symposia

Implementation of Health Promotion Switzerland's best practice concept – Showcasing projects/programmes in private sector, public sector, and research/evaluation

Room 3

Sharing experiences with systems thinking, leadership and change in the development, implementation and evaluation of Health Promotion & Education

Room 7

Culturally appropriate Health Promotion

Room 11

A Review of Low-Carbohydrate Ketogenic Diet [Sponsored by Atkins Nutritionals Inc.]

Room 13

Promotion de la santé et développement durable

Room 15

Children and adults acting together to influence health determinants: Reality or rhetoric?

Room 16

11:00 – 12:30 Oral Presentation Sessions

Salutogenesis

Room 4

Competencies in Health Promotion Practice

Room 5

Health in All Policies and Intersectorial Action

Room 6

Research Methods and Networks

Room 8

Men and Health

Room 14

Development in Health Promoting Hospitals

Room 17

Equity and HIV Prevention

Room 19

Knowledge Management and Quality Improvement

Room 20

11:00 – 12:30 Workshops

Success stories in Indigenous Health Promotion

Room 12

Health Promotion strategies for housing and health [Excursion: Health Promoting Architecture]

Room 18

Thai yoga approach in Health Promotion of well-being

WS A1

IUHPE Student and Early Career Network [ISECN] informational meeting

WS A2

Supporting women survivors of abuse through the child-bearing years within primary care health care settings

WS A3

Developing the global curriculum in Health Promotion

WS A4

A workshop with health and education policy-makers to facilitate change and development in school health initiatives which are based on evidence

WS E1

Evaluation and the complexity of Health Promotion interventions in social systems: challenges and approaches

WS E2

Cine y salud. Film and Health: an initiative to promote health in adolescents

WS E3

Can IUHPE become a sustainable organisation? Responsibilities, opportunities and challenges

Wild Side, Room A

Data required for the Healthy Handprint

Wild Side, Room B

Strengthening Health Promotion research: what can IUHPE do?

Wild Side, Room C

Mobilité durable et loisirs: le cas des activités sportives en montagne

Wild Side, Room D

11:00 – 12:30 Electronic Poster Sessions

Environment

Wild Side, EPC 1

Public Health and Disease Prevention

Wild Side, EPC 2

12.30 – 14.00

Discussions with presenters of traditional posters

Poster Area, Level -1

12.40 – 13.30 Guided Poster Tours

- Diabetes
- Health Promoting Schools
- Marginalized and Diverse Population
- Sexual Health

Poster Area, Level -1

14:00 – 15:30 Sub-plenary Sessions

The use of evidence for policy: Evidence-informed decision-making [ENG]

Wild Side, Room A

Convergent strategies for transportation, development, the environment and health: Lessons in sustainability and equity from urban Latin America [ENG, ESP]

Room 5+6

14:00 – 15:30 Sub-plenary Sessions [cont.]

Challenges and Issues around Health Impact Assessment and Health Promotion [ENG, FRA, ESP]

Room 2

Challenges and Issues around the evaluation of interventions [ENG, FRA]

Room 3+4

Social Determinants for Health – A foundation to promote a human rights agenda [ENG, FRA]

Room 1

15:30 – 16:00

Discussions with presenters of traditional posters

Poster Area, Level -1

16:00 – 19:00

IUHPE Forum for members and non members

Further information in ENG, FRA and ESP is available on p. 105

Thursday, July 15th, 2010

07:30 – 08:30 Meet the Authors Sessions

The food wars

Room 7

Health Promotion Programs

Room 8

Qualität von Gesundheitsförderung und Prävention

Room 11

La santé publique globalisée

Room 12

Making Data Talk

Room 16

Health Promotion Evaluation Practices in the Americas

Room 17

Theorising Social Exclusion

Room 19

Case Studies in Global School Health Promotion

Room 20

09:00 – 10:30 Sub-plenary Sessions

Contemplating the science and the art of advocacy [ENG, FRA]

Room 2

Capacity Building – sustainable financing and infrastructures for Health Promotion [ENG, FRA]

Room 3+4

Supporting local health actions that address the social determinants of health [ENG, FRA]

Room 5+6

Building Consensus on Domains of Core Competencies in Health Promotion [ENG, FRA, ESP]

Room 1

Mainstreaming health promotion: the kiss of death or a new lease of life [ENG]

Wild Side, Room A

10:00 – 16:00 Traditional Posters

– Chronic Disease and Prevention

– Elderly [General]

– Health Promoting Schools [Effectiveness, Teachers and Students]

– Health Promoting Universities

– Healthy Lifestyle

– Injury Prevention

– Maternal Health and Pregnancy

– Minority and Migrants / Immigrants

– Physical Activity in Schools

– Public Health & Primary Healthcare II

– Social Determinants

– Substance Abuse

– Training [Practical]

– Weight Management & Obesity Prevention

– Workplace Health Promotion Policies, Plans and Programs

Poster Area, Level -1

10:30 – 11:00

Discussions with presenters of traditional posters

Poster Area, Level -1

11:00 – 12:30 Symposia

Health development in organisational settings: Contribution to Equity and Sustainable Development

Room 2

Tackling the gradient in health amongst children and families: Analysis of evidence and policies

Room 5

Effectiveness of governance tools for health in all policies in action

Room 6

Probing realist evaluation techniques

Room 7

Illustrating the asset model for Public Health: Applications for policy, research and practice in young people's health

Room 15

Access to health promoting environments and services for people with intellectual disabilities

Room 16

11:00 – 12:30 Oral Presentation Sessions

Mental Health

Room 3

Chronic Diseases

Room 8

Using Evidence at the Local Level

Room 11

Health Impact Assessment

Room 14

Workplace Health Promotion

Room 17

Challenges in the Local Implementation of National Policy to Promote Physical Activity

Room 18

New Media in Health Promotion

Room 19

HIV Prevention and Health Promotion

Room 20

11:00 – 12:30 Workshops

Success stories in Indigenous Health Promotion

Room 12

Making health promotion 'tangible'

Room 13

Using migration as a resource in HIV prevention

WS A1

Contribution du réseau francophone pour la santé du cœur et la prévention de l'obésité à la lutte contre les inégalités de santé

WS A3

La problemática del Chagas, ahora también urbana y global. Nuevas respuestas para nuevos escenarios

WS E1

Advocating for social change through Health Promotion

WS E2

Difference sensitivity in the field of migration and health: implications for practitioners, health service organisations and health policies

WS E3

Advancing a typology of intersectoral action strategies to improve health equity

Wild Side, Room A

Climat, santé, écoapprentissages ou « une santé climatique factuelle, équitable et durable : ensemble, oui, mais comment? »

Wild Side, Room B

Understanding the views of professionals and practitioners about social determinants of health, equity and or Health Promotion: strengthening knowledge for improved capacity building

Wild Side, Room C

Health diplomacy meets environmental diplomacy: opportunities for mutual learning

Wild Side, Room E

11:00 – 12:30 Electronic Poster Sessions

Curriculum and Evaluation

Wild Side, EPC 1

Food and Nutrition

Wild Side, EPC 2

12:30 – 14:00

Discussions with presenters of traditional Posters

Poster Area, Level -1

12:40 – 13:30 Guided Poster Tours

- Communication and New Technologies / Media
- Equity
- Health Literacy
- Sustainable Development [food, agriculture and climate change]

Poster Area, Level -1

14:00 – 15:30 Closing Plenary Session

Economic Change and Global Challenges [ENG, FRA, ESP]

- Dr. Ala Alwan:** World Health Organization, Switzerland
- Prof. Walden Bello:** Focus on the Global South, Philippines
- Sarah Schulman:** University of Oxford, Australia

Plenary Room
